Intro

CAPTURE THE FLEETING

I'm a creative adventure/lifestyle/wedding and elopement photographer based in Denver, CO. I love authentic, fun, outdoor weddings and portraits. Nothing is more rewarding or humbling than having the opportunity to photograph life milestones – days full of emotion that you will treasure for the rest of your life.

That's where I come in.

These are my vows to you:

I will document your love beautifully and authentically.

I will capture the in-between, quirky moments that capture human connection: the sporadic laughter, windblown hair as you read vows, and the tears that unexpectedly trickle down your cheeks. I have a documentary-style and love capturing the small moments as they are.

I will capture your love story from the inside out.

I strive to give you a personalized experience because each wedding, elopement and every family is unique. I enjoy getting to know you and your story, and ensuring you are completely at ease in front of the camera. It is my goal to showcase the best moments through an adventurous, light-hearted, and natural process, so you can be assured the final product is distinctly and honestly you. I am observant and acute to my surroundings. I am able to step up to guide situations and people naturally when needed, but I am unobtrusive in nature. Whether you need advice on your timeline or input on what jewelry to wear, I've got you. Ask me anything because I am here to make things easy for you.

It is a privilege to be welcomed into your special day, and I feel honored to document it. I want you to look back on your photos years down the road and be brought back immediately to how you felt on your special day.

xx,

Kalen Jesse

What does working with me look like?

1

Let's meet for coffee/tea/a beer- you choose! Let's sit down, and get to know each other so I can hear your vision and get on the same page. I'll be sure to answer all your questions so you feel 110% confident about this. We are a team and I've got your back!

2

When you are ready to commit, I require a 50% deposit with the remaining balance due two weeks prior to your wedding. I am always happy to develop a payment plan to divide your payment into smaller increments.

3

Let's make the magic happen! I will send you a survey with some process questions, so I can best capture who you really are. We will make a game plan and review processes together.

4

On your wedding day, I will be there unobtrusively guiding you and capturing all the big events and in-between moments.

5

I will deliver the final images in high-resolution via an online password protected gallery within one month of your wedding day. You are able to download, print, and share instantly with friends and family or post to social media directly. My photos do not have a watermark or logo. You will have access to the gallery for one year.

Frequently Asked Questions

How many images are included?

I deliver approximately 100 images per hour of shooting, but I don't set hard limits on what I deliver. Every shoot is unique, and I capture it all.

What if I need to cancel or reschedule my wedding?

In the unfortunate scenario that you need to cancel or reschedule any type of shoot (wedding or non-wedding), the original deposit is [by law] non-refundable. I try my hardest to work with my clients on this, but in most scenarios deposits are 100% non-refundable. I understand that things happen and wedding dates need to change. If you are hoping to change the date of your wedding, I cannot guarantee availability but will work with you the best that I can to make it work.

Can we also book a second shooter?

Yes! Depending on the size of the wedding, a second photographer can be included. Second Shooters are \$75/hr. I recommend booking a minimum of 4 hours for a second shooter to help capture the pre-ceremony, ceremony and family photos. Full day bookings of the second shooter are even better!

Do you travel for weddings?

I LOVE to travel and am happy to go wherever your wedding may take me! I include the first 60 miles from Denver for the elopement and intimate wedding packages.
